FOUNDATION

Give the Gift of an LWC Education

“ The Foundation gave me the education, opportunities and a start in life I could never have hoped for. I feel truly fortunate. Thank You. ”

Imran Sroya, Founder
(Sutton 1985-1992)

A Lord Wandsworth College Education

“ The Foundation has opened up opportunities for me and is a reliable safety net we can depend on. ”

Foundation Prefect

Not every child is fortunate enough to have both parents in their lives. Not everyone can afford an inspirational education at LWC - some need your help and support to make this a reality.

It is an exciting time at The College. We have ambitious, aspirational plans for both the pupils and the campus. However, LWC began as an Agricultural College educating children of farm workers who had lost one or both parents and we have not lost sight of our heritage. We continue to believe wholeheartedly that children deserve a chance to enjoy their childhood away from family challenges and have the opportunity to live and learn in a vibrant and caring educational environment.

At LWC, we aim to equip our young people with the skills and knowledge they need to prepare themselves for their adult lives as they embark on their journey into a world that requires them to be curious, creative, collaborative, tech savvy, emotionally intelligent young men and women.

Whether you were a Founder yourself or not, whether you are a current or former LWC parent, governor or member of staff, we are sure you will recognise the need to help children less fortunate than many others at The College. Please join fellow members of the LWC Community in making an investment in the future of young people who need The Foundation's support, so that they too can benefit from an LWC education, reach their potential and make their mark in this world.

If 44 families donate **£50/month**
it would cover the cost of an
Average Foundation Award each year.

“ I would not be where I am today without my LWC education, thanks to The Foundation. It was here where I began my journey to play rugby for England. I loved my time at the College and I am fortunate and proud to have been a Foundationer. ”

Ugo Monye, Foundationer (Sutton 1995 - 2001)

The Foundation remains at the heart of LWC today and supports around 50 Foundation pupils at any one time whose lives have been disrupted by the loss of one or both parents, through bereavement, separation or other circumstance. Some are in the care of relatives or living in unsuitable conditions. Others are coping with chaotic home circumstances with a grieving parent struggling with daily routines. All benefit from the opportunity to thrive within our vibrant, supportive, boarding environment and reach their potential.

Since opening our doors, it has been our pleasure and privilege to welcome over 2,500 Founderers into The College community.

Increasing philanthropic income now is vital to enable us to achieve our goal of ensuring our tradition of Founderers is sustainable for future generations.

Gift Form

It is getting harder to cover the costs of The Foundation each year with donors having so many competing requests for money and some trusts and charities cutting their funding as well as tightening their application criteria. We are grateful to everyone who already supports us, but there is always a constant need for funds.

We vitally need your help - please sign up as a Regular Donor today.
