BOARDING  
AT LWC  
DURING COVID-19

# Contents

Introduction from Mrs Cuff, Head of Boarding

Planning for Quarantine at LWC

# Message from Mrs Cuff

Dear Pupils

We are so excited to be welcoming you back to LWC as existing pupils or for the first time as new ones. Any new start is exciting, and I hope that you are all looking forward to your journey to rural Hampshire in the Autumn.

This year is obviously very different with the Covid-19 situation but I am writing to you and your families to reassure you that it is safe to be returning and/or starting your education at Lord Wandsworth College.

The following pages explain what steps we have put in place for your arrival and the plans that will be implemented for your safe stay at our school. It also highlights the provision we are offering free of charge for your quarantined period back into the UK. At the end of the pack there are a couple of forms for you to complete.

Planned return details

Letter to complete for your travel

If you have any questions after reading the document, please contact me on my email address.

Have a wonderful summer and I look forward to seeing you all soon.

Kind regards

Mrs Kate Cuff

Head of Boarding

# Planning for your return

- We can't wait to see you
- We hope you have enjoyed your online lessons
- We have been working hard making sure we are ready for your return
- We have deep cleaned and disinfected all the houses and the school buildings
- All our staff are fit and healthy and have been looking after themselves
- All our staff are having regular temperature and health checks

# Making your plans to return

- Let us know when your flight is booked
- Fill in the Quarantine document to show at the airport if you need it
- We will arrange for your collection from the airport with our safe airport transfer
- On arrival, you will have a medical check with our nurse
- You will then be welcomed in Haygate House for your quarantine period

# Haygate House

- Haygate is the largest of the Girls houses and is situated next to the Health Centre on the main drive
- You will be put into a 'bubble' of 6 other students
- We will have 3 female bubbles and 3 male bubbles
- You will have your own bedroom and work area
- You will be allocated a bathroom to use and an outdoor space

# During the Day

- You will be able to work in the house focusing on consolidating all of your school work
- There will be activities available for you to do in afternoon if you wish
- There will be an allocated space outside so that you can get some fresh air during the day
- There will full wifi access for you to use
- There will be opportunities for you to purchase items that you may need, for example any toiletries, through our inhouse shop

# LWC Staff

- The Staff who will be looking after you are myself and Matron Patsy
- We will be here to make sure you are safe and well, keeping you fed and ensuring your safety and well-being
- If you need to talk about anything that is worrying you our Youth Worker, Sam, will also be available for you to talk to
- Our medical nurses will be available to check your medical needs. We will also be taking your temperatures twice daily to ensure you are healthy

# Eating and Drinking

- We will provide you with 3 meals throughout the day
- There will be fresh drinking water and snacks also
- All food will be prepared in our school kitchen which has the highest standards of cleanliness
- The meal times will be staggered so we can ensure our highest standards are in place for your safety

# Precautions for you

## **You will be asked to follow these actions:**

- Keep a safe distance apart from each other in your bubble
- Follow the one way system around the house and outside
- If you want to wear PPE you are most welcome
- No visitors will be allowed in our isolation unit during the quarantine period

# If you have any symptoms

**If you have any of the following symptoms:**

- High fever
- Continuous cough
- Loss or change of smell

You must alert us and we will isolate you safely
