## House Allocation

We are now starting the process of allocating all new 3<sup>rd</sup> Form pupils to a senior boarding house. We have seven senior houses, all led by excellent and dedicated staff who, with their team of Assistant Houseparents and Tutors, provide outstanding pastoral support to all those in their care.

Our senior houses accommodate pupils from 3<sup>rd</sup> Form to Upper Sixth. We have four senior houses for boys and three for girls.

The houses (and their colours!) are:

### Boys

Hazelveare  
School  
Summerfield  
Sutton

### Girls

Gosden  
Haygate  
Park

We take into account a number of factors when allocating houses and our approach to this is explained by Robin Pyper, Deputy Head Pastoral, here:

[House Allocation - Robin Pyper Deputy Head \(Pastoral\)](#)

We don't ask you to let us know your house preference but do ask that you let us know if there are any factors that we should be aware of with regards to your child. For instance, your child may have a medical condition, or there may be a family connection to a particular house. As Robin explains in the film, we do not allocate pupils to houses based on friendship groups, and actively work towards facilitating new friendships as pupils join us both from our Junior House and from other schools.

If there is anything you would like us to be aware of, please could we ask that you complete this form by Friday 17<sup>th</sup> February:

If you have any questions at all regarding house allocation (or anything else regarding your child joining 3<sup>rd</sup> Form) please do not hesitate to get in touch:
