Transport Guide

2023 - 2024

WELCOME

Dear Parents / Guardians,

Thank you for taking the time to look at Lord Wandsworth College's transport service for the 2023–2024 academic year. This is the inaugural version of such a guide, which sets out a range of travel options available to the pupils at Lord Wandsworth College.

From September 2023, Lord Wandsworth College have appointed Vectare, a specialist school transport management company, to manage the school transport service. Vectare are responsible for over 2.5 million independent school journeys per annum. Vectare will manage all aspects of the school's service, and any enquiries can be directed to their team at lordwandsworth@vectare.co.uk.

All bookings for school bus routes are made via our online booking system, which can be viewed at lordwandsworth.vectare.co.uk. This means that you no longer need to complete any paper forms. Payment for the service is made at the time of booking and your child's name will automatically be added to the register. The website also incorporates an interactive journey planner which allows you to enter your postcode and find your closest bus stop, as well as a live tracker so you will be able to see where your bus is both before and once your child is on board.

This guide provides an overview of the school transport service network and contains further details including fare and timetable information. All bookings for all routes can be made via the dedicated transport website. The website allows you to book travel 24/7 from anywhere.

Other amendments and changes can also be made via the 'My Account' section of the website. If you need any further assistance, or you would like to discuss travel options from areas not currently served by our network, please contact us via the bookings website and we will be pleased to assist. I would like to take this opportunity to wish your child a pleasant and successful academic year ahead.

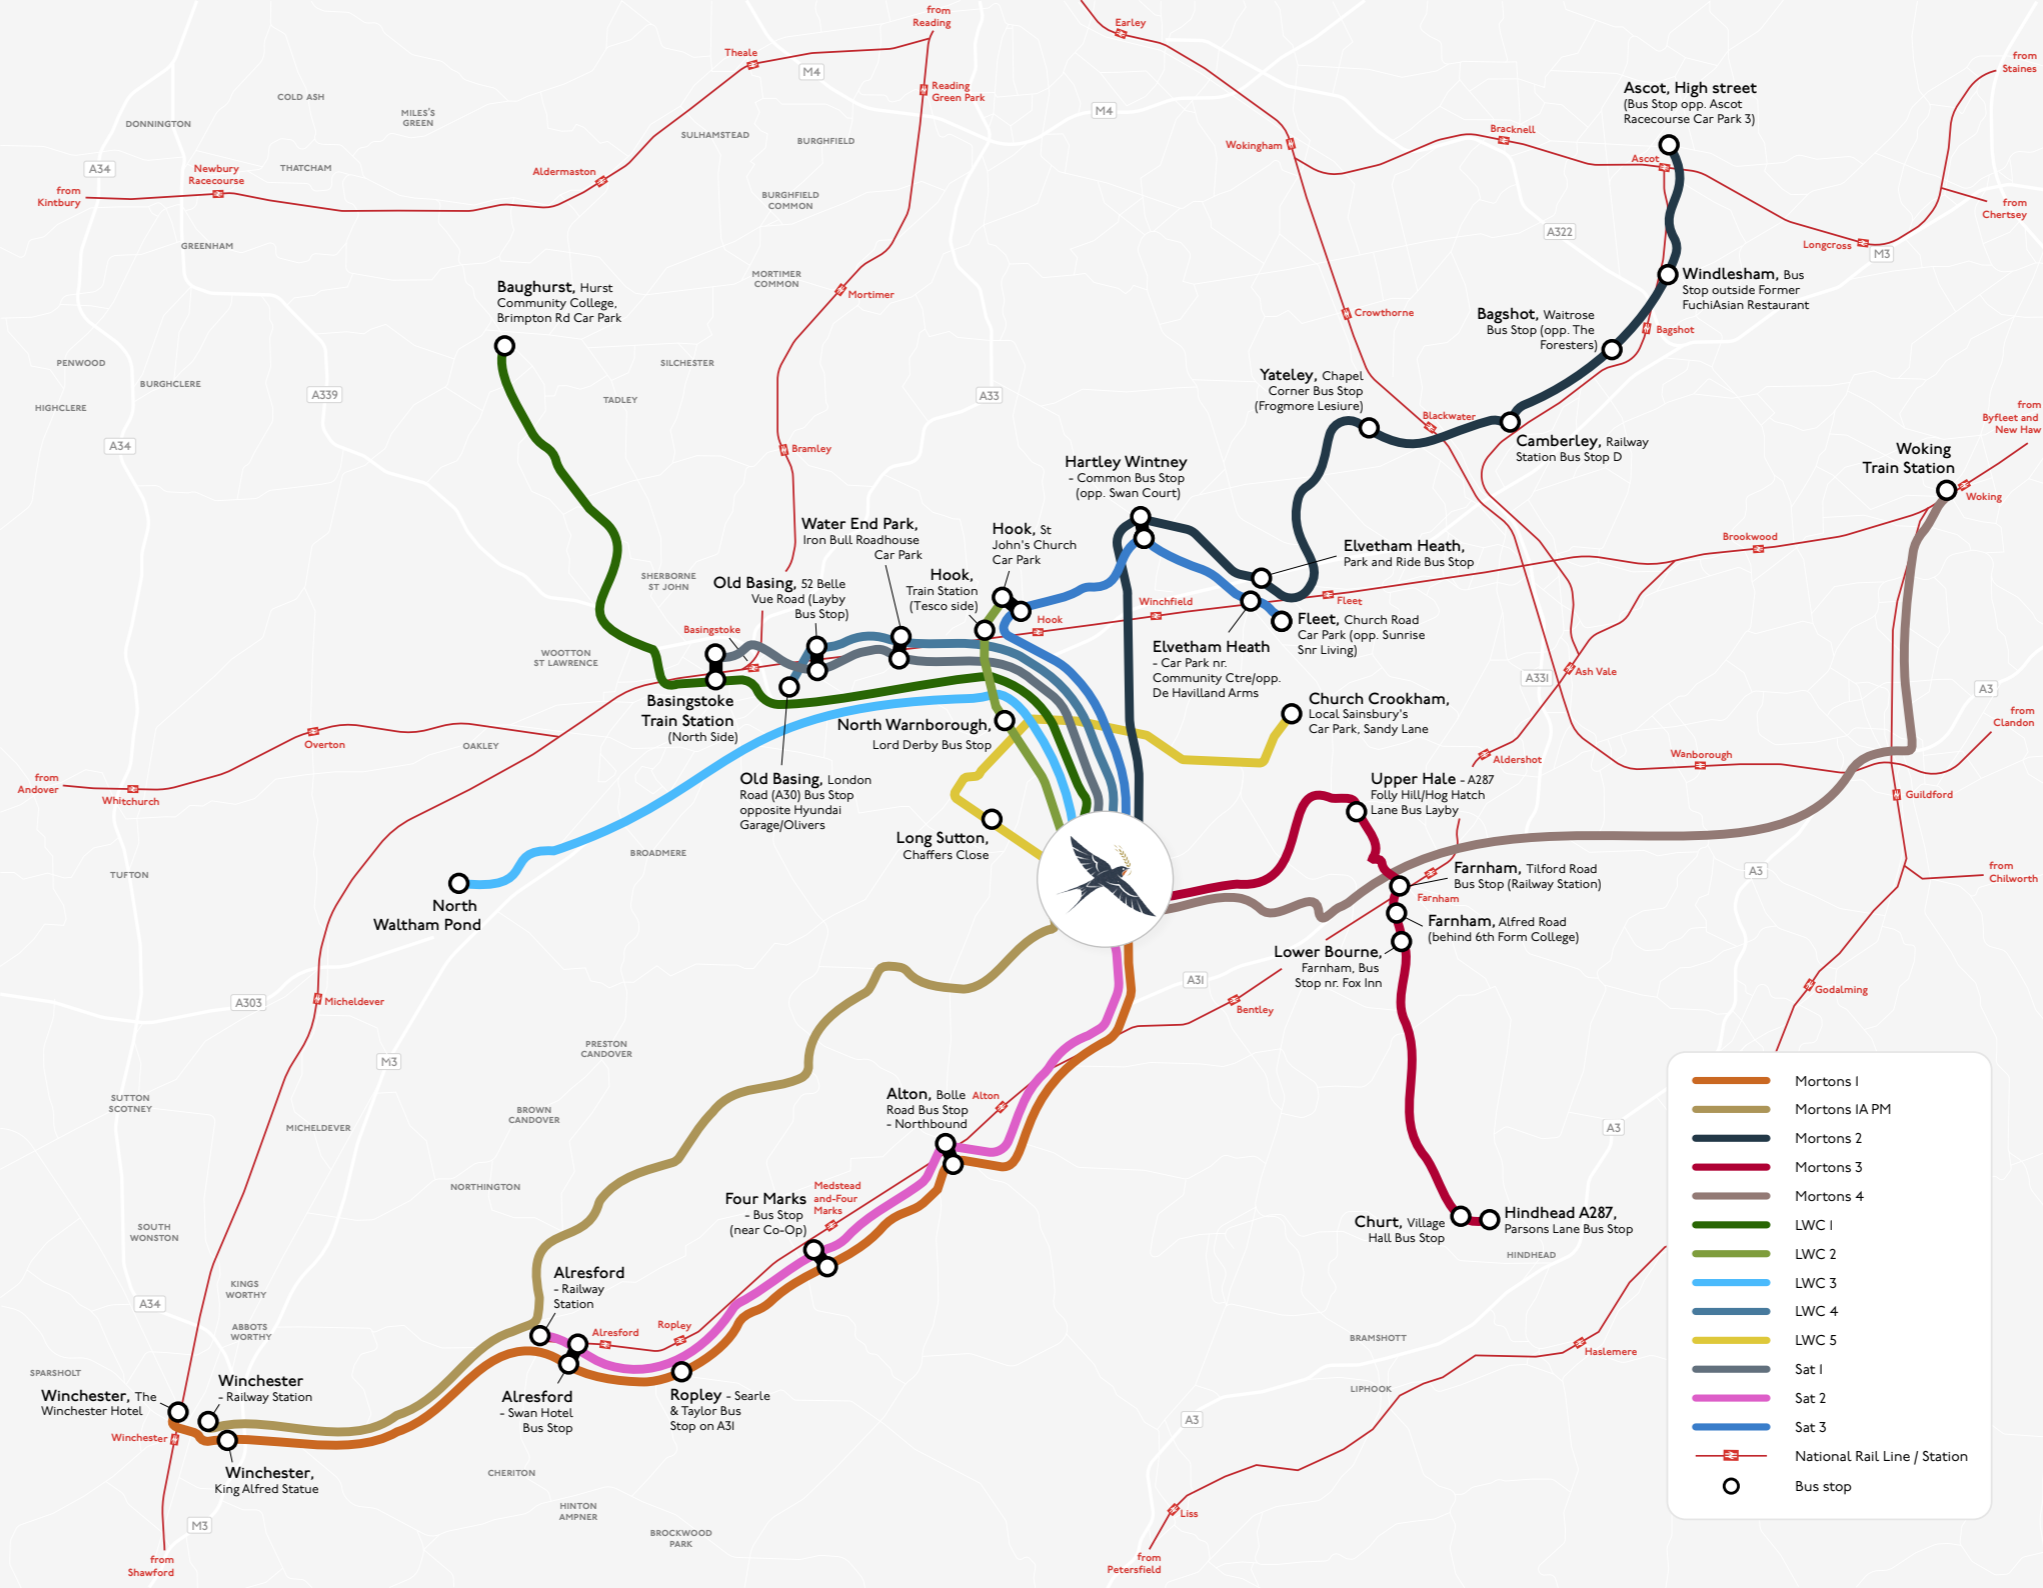

Yours,

Adam Williams
Headmaster
