

LORD WANDSWORTH COLLEGE

MISSION AND AIMS

Lord Wandsworth College is a socially inclusive, co-educational, non-denominational boarding and day Foundation school.

Our mission/vision is to nurture inwardly self-confident, outwardly modest, curious and passionate young individuals who are ambitious to go and make a positive difference in the world.

We aim to do this via our 5 pillars:

- +1 Do one more thing
- +2 Be two years ahead
- +3 Wellbeing and Happiness
- Pupil Voice
- Character Education

We focus on the needs of each individual, while developing in each child a concern for others and a love for and loyalty towards the school community and with a clear focus on the environment around us, known as The 1200.

We ensure that each pupil shapes their values and aspirations within a stimulating and supportive environment and strive constantly to improve the quality of teaching and learning.

We are focusing on reaching out beyond the College and becoming known as a leading and opinion-forming school, in principle and in practice.
