

# QUERCUS CLUB

Quercus: noun / 4th declension / feminine  
Oak, oak tree, oak leaf garland (honour)

# QUERCUS CLUB

Quercus – the grand, old, oak tree that stands within the grounds of LWC in Sheephouse Copse is the subject of many a Sternian story, giving us the perfect name for our regular giving club.

The Quercus Club was created to formally recognise generous individuals who donate to The Lord Wandsworth Foundation on a regular basis. This wonderful group helps us to transform the lives of many families, now and into the future.

## Members Receive...

- A beautiful oak leaf pin badge
- An invitation to an annual donor event
- Invitations to other College events
- Regular updates from LWC
- Name printed annually in Supporter Update (optional)
