

Dear Parents,

We are delighted to offer an extensive programme for extra-curricular dance activities starting in September. We look forward to an exciting year ahead, filled with opportunities for growth and development. Our students will not only refine their dance techniques but also build confidence, creativity, and have opportunities to work towards graded dance examinations. With a variety of classes and performance opportunities, it promises to be a rewarding and enriching experience for the dancers involved.

Classes include:

- RAD Ballet & Pointe
- ISTD Modern, Tap and Jazz
- Contemporary
- Advanced Acro
- Choreography Composition

Children will have the opportunity to work towards graded exams in syllabus classes and participate in both in-house and external performances.

Please register via the online portal to book on to any of the classes.
