Dear Proprietor

I am pleased to inform you that your proposal to change the maximum number of pupils at your school has been approved.

Your revised permitted maximum number is now 750 pupils, which has been noted on our records.

If you wish to admit pupils above the revised figure, a further material change application will need to be made.

Thank you for your co-operation in this matter.

Yours sincerely

Sharon Gleaves
Independent Education Unit

*Please note : You **must not** make a material change relating to a registered independent school without the Secretary of State's prior approval. Under section [162 of the Education Act 2002](#), the Secretary of State may decide to deregister an independent school, where there has been an unapproved material change.*
